**Attention: Mr. Greg Reimer, Executive Vice President, Transmission & Distribution -
Responsible for the Smart Metering & Infrastructure Project**

Dear Sir:

RE: BC Hydro Smart Meter Program (Installations) Pursuant to the Following Properties:

A) 834 3rd Avenue, McBride, British Columbia

Regarding the Final Notice of Dishonour and Default and the Notice of Service for Final Notice of Dishonour and Default dated January 15th, 2013, sent by Registered Mail to BC Hydro Executive Office, Regeneration Project, absolves me from any unlawful billing practices or unauthorized contract re-negotiations without my consent; in accordance to “Legacy Meter Charges” observed in billing invoices #s 118006953854, 118007026166 and any further invoices with similar practices.

I have provided payment IN FULL for services rendered along with this Notice; with the following personal cheque # 161. Acceptance of the aforementioned payment shall be deemed fulfilment of any past, present or future obligations in accordance to the Uniform Commercial Code and any further “Legacy Meter Charges” henceforth, will not be accepted or applied.

Receipt of a written reply to this letter is required within 10 days of the date of this letter, or by May 29th, 2014.

Please note that a non-reply is silence, acquiescence, acceptance, dishonour and default by tacit agreement vis-à-vis Nihil dicit, and that the statements hereto and herein – unrebutted or unrefuted – shall stand as the truth.

Regards,

ROBERT ERICKSON
